First, I use a word document that displays possessive adjectives in an easy-to-follow grid. I copy this and distribute it to students for their folder/hard back copy or alternatively, it can be projected and taken down. The second document presents tables where students can practice what they have learned by filling out the missing possessive adjective in each sentence. It's a starter sheet and so, I pointed out on it whether the noun masc/fem/plural. The final document is another cloze test that can be used for homework, in class or for an exam. Students must insert the correct possessive adjective into the empty space and then have to translate each sentence from French to English.Read moreReport problem sheet - Summer Review 20193- Generation Gap - Intergenerational Relations4- New Orleans - Village, District, city5- Crime Of History - Creation and Attitude to ArtsD- In the Wild (2007) - MovieE- To Build Fire - Jack LondonF- 2019 LFB Survival Film Festival1- Irregular Verb Online PracticeThe Story of Colin KaepernickCardinal and Serial Numbers3- Group 1, Lesson 1 - Theirlives.com4- Unit 1, Lesson With Genius Unit5- 2, Unit 2, Lesson1 - Dark Tale6- Block 2, Lesson 2 - Adventures on screen7- Unit 3, Lesson 1'2 - Take Action!8- Group 4, Lesson 1 - Better FutureRole Play: Interview Exceptional Civil Rights Movement1- Welcome!
